The East of England Offshore Wind Skills Centre

The East of England Offshore Wind Skills Centre is a collaborative regional training facility that will provide support to local people wishing to re-skill and gain employment in the offshore wind industry on the New Anglia Energy Coast.

eastcoast
APPRENTICESHIPS & TRAINING

For more details on how to be involved or if you would like more information please contact us on:
owsc@eastcoast.ac.uk
01493 491242 / 0800 985 8840

New Anglia Offshore Wind Skills Centre is funded by Norfolk County Council, Suffolk County Council, Southwold Town Council, Great Yarmouth Town Council, and the East of England Development Growth Partnership.

Our supporting partners and training providers:

East Coast College
Great Yarmouth Campus
Suffolk Road, Southwold, Great Yarmouth, NR31 0ED

Sub Bottom Imager: 3D Acoustic SAS Imaging

Industry's sensor of choice for Cable Depth of Burial & UXO Surveys.
