FOCUSING POVERTY THROUGH RENEWABLE ENERGY

JOIN US IN THE FIGHT AGAINST POVERTY

Renewable World is a charity committed to tackling poverty through renewable energy. We provide remote power poor communities with a clean and sustainable source of energy, giving them the training and resources they need to lift themselves out of poverty.

**PARTNER WITH US**

We are keen to work in partnership with like-minded businesses who share our commitment to renewable energy and tackling poverty. By working together, we can bring about extraordinary transformational change. There are a variety of ways these partnerships can take:

- Our year staff fundraising through challenge events
- Sponsor our annual cycle challenge - Earth Wind & Fire
- Send one of our e-cards this Christmas
